Welcome to the San Fernando Valley Woodworkers Club

The SFVW follows the concept that no one knows everything, but together, we know a lot — and we like helping each other. We meet to share both our information and knowledge with other members as well as bring in experts to provide presentations on various subjects.

As a service to our community, we build over 1,000 wooden toys each year that are donated to charities that care for children in need. We do not have a central shop but throughout the year, meet in small groups at members' shops.

The Club meets the third Thursday of each month except December when we meet on the second Thursday for our holiday party.

Meeting Location:

- Currently we are meeting via Zoom. You will receive an invitation via email prior to each meeting.
- When life gets back to normal, we meet at Balboa Sports Complex 17015 Burbank Blvd., Encino, CA 91316

We have:

- a website with a lot more information about the club: <http://www.sfvw.org/>
- a Facebook page (open to members only): <https://www.facebook.com/groups/900205396765726>
- a Club Store where you can purchase t-shirts, sweatshirts, mugs and hats: <https://www.bonfire.com/store/san-fernando-valley-woodworkers-store/>

And then there's dues. They are \$35 annually, (\$20 if joining after June), and \$15 for full time students.

There are several options for paying dues:

- Cash or check when we meet in person
- Via Venmo: @Jeffrey-Bremer-2
- By mailing a check made to Jeff Bremer to 3381 McLaughlin Ave. Los Angeles, CA 90066

Please fill-out the attached New Member form (a fillable pdf) and email it to Gary Coyne at gscoyne@icloud.com.

Again, welcome to the club.
