

WOODWORKING IS INHERENTLY DANGEROUS.

**USING HAND OR POWER TOOLS
IMPROPERLY OR IGNORING STANDARD
SAFETY PRACTICES CAN LEAD TO
PERMANENT INJURY OR EVEN DEATH.**

**DON'T PERFORM OPERATIONS YOU LEARN ABOUT
HERE (OR ELSEWHERE) UNLESS YOU'RE CERTAIN
THEY ARE SAFE FOR YOU.**

**IF SOMETHING ABOUT AN
OPERATION DOESN'T FEEL RIGHT,
FIND ANOTHER WAY.**

**WE WANT YOU TO ENJOY THE CRAFT, SO PLEASE
KEEP SAFETY FOREMOST IN YOUR MIND.**
