

Release form for attending the San Fernando Valley Woodworkers (SFVW) meetings at the wood shop in the Highland Hall, Waldorf School

Anyone attending a San Fernando Valley Woodworkers meeting in these rooms, must sign an on-line waiver. This only needs to be done once and can be done on any cell phone, tablet, or desktop computer.

Below is a QR code. You can either aim your phone's camera at this Code and click on the message that pops up. Or, from this PDF, you can click on the URL following, or manually type that URL into a browser. Either way, that will take you to this website: <<https://form.jotform.com/HHWSAdmin/sfvw-association-release>> Please note that there are five (5) fields you have to fill in, three on the top of this document, and two on the bottom. (In between is the actual Hold Harmless contract you are signing.) Below that is a button you can tap to submit the release once all five fields are filled out. Once completed (including a signature), you'll receive an email verifying that you've signed the form and you're good. You should never need to do this again.

For a map on how to get to the school and the room where we'll be meeting, please see the next page.
